WRITING

"Kitchen: The last fight"

I love watching this film because of a number of reasons. Firstly, the main characters speaking with each other have the best sense of humour. Also, the film hasn't got any "pits" in the story, conversations and decorations. If I had a chance, I would meet with Oleg Tabakov because he demonstrates the real love between father and son. Moreover, I like being given celebrities' authorgraphs.

I recommend "Kitchen: The Last fight" to my classmates because after watching the film everyone will be happy all day. In addition to this, my friends need to have a rest before writing their school exams. This film gives an opportunity to relax and forget about daily routine, homework and other problems connected with our so busy life!
