As you decided to come to my city, I would like to give you some introduction to my region.

Well,, there are a lot of amazing landmarks, which you should to visit. For example, we have a nice Central park with a beatiful landscape. It is a great place to relax or just walk with your friends. Also, If you go there I would recommend you to take some crackers because you can meet susliks.

As for population and political structure, I can say that our city is enough populous. That is why the street are often crowded and ~~tra~~ we always have a congestion traffic. But our mayor try to solve this problem.

Anyway, our climate is really cold in winter and is hot in summer so I think you should take all kinds of clothes with you to avoid of getting sick or sunstroke.

In conclusion, I would like to say that our city is wourth to visit and I hope you will not regret about this travell.
