WRITING

My name is Artyom. I'm living in Krasnoyarsk in the street Yastinskaya. My favourite place in neighbourhood is a playground. It's between my home and garages. Also near this playground staying a shop. There (playground) I can see sandbox, places there you can climb and sit. It have a personal football area where you can play. This playground is small, ^{and} that's why you can see less people ~~then~~ the other, ~~but~~ it don't make any noise. I like it because it's near my home and nobody walk there and I with my friends can play football and don't do problem to somebody. Also I like it because near this playground stay a shop where you can something.
