Back to the Future.

This summer I watched the film called Back to the Future and I liked it so much. This film grabbed my attention from the very first minute because of ^{the} exciting unusual plot, wonderful special effects, talented actors and amazing music.

So, I would like to meet M. Fox's most because he played the main role in this film and I would like to ask him some questions about the process of making this breathtaking film and take his autograph.

I recommend all my classmates to watch this film because they like fantasies. Also I'm sure that they will enjoy the story, cast and musical moments in this film.
