WRITING

Mission Impossible

"Mission Impossible" is my favourite film. I have
watched all parts of this film.

Well, I like this film because it's a film about saving the
world and about choosing between life or death.

By the way, the main part is played by Tom Cruise and
he lived in America, I would like to go to Oscar award
and take a photo with him.

As for me, I recommend my classmates to watch
the film. On the one hand, this film is unusual. It

has a lot of effects. On the other hand, this is a
legendary story about a man hero and his team, who
settle the global problem of our world and killed persons
who want to destroy our planet.
