WRITING

Atomic blonde

I like this film because it has perfect sound-track (80's music is my favorite genre), talented actors, wonderful characters and the film is just really interesting! Also it doesn't have typical spy-movie tropes.

It's hard to choose the best actor but I really like James McAvoy (he is known for Charles Xavier role). I would like to meet him because he seems to be very funny and charming ~~and~~ and he is quite handsome.

I would recommend this film to my classmates because I'm sure they will leave an urge to know more about Cold War and specially about Berlin Wall after watch. Also Charles Taron plays the main role so it's a pretty good reason too, she is really talented actress.
