WRITING

X-men

X-men: first class is my favorite film.
? Film is about mutants and their lives in our world. Mutants is ~~gifted~~ gifted people. Some of them can fly, control metal, read minds etc.

Film do not have powerfull meaning or plot twist I still lik it! I love characters specially Professor X and Magneto. And I like comics and super heroes movies.

Professor X is played by James Mcavey. He is my favourite actor! I watched all his films He ~~is~~ is in my secont favovrite film "Filt". Like everything about him. I realy want to meet him and talk about his act.

I recomment to watch this film because it is simple, beavtiful film about Super heroes. What can be 'better'?
