WRITING

Forrest Gump

"Mama always told me that life was like a box of chocolates - you never know what you gonna get." - Forrest said. ^{in the beginning of the movie} Personally, I love the film much mostly due to its unbelievably moving plot and an outstanding soundtrack. Moreover, I was fascinated by the special effects and a great cast. Honestly, I would even like to meet the actor who played the main ^{character} ~~character~~, Tom Hanks, to express him my amazement by the way he managed to fully depict Forrest's feelings and souls. After all, I would definitely recommend my classmates to watch the movie as it is very inspiring and can as well motivate one to cope with difficulties and hardships last year's school life contains of as the Forrest does, getting one bitter chocolate after another... 12th
