WRITING

There are many beautiful places in my city. But one I like the most. It's bank of river. There is this place in the city center.

There you can see wonderful landscapes to "Enisey" river and the big bridge. There you can buy some souvenirs in small shops and drink some delicious tea or coffee in some cafes. This is very popular, pictures and beautiful place. Also you can take some photos and walk with your family or friends. But you can walk alone and walk will be interesting. If you want you can take book in the street library, but you must bring it back. And if you want you can drink your book to this library.

I like this place because is very colorful, wonderful, and you can see some beautiful views.
