Writing

There is a day in my life that I can call the best.

It was June 7, 2020, it was just after my parents wedding anniversary. This day I was given a dog!

His appearance was long-awaited but unexpected. Parents called us into the hallway while we were watching TV with my brother, I go and saw this little ball that was standing in the doorway. I fell in love with him at first sight!

It was the best day of my life, I've been waiting for this dog all my life and finally I've been waiting for ~~it~~ it.

We thought about his name for a long time and eventually called him Frank.
